## ABOUT TAPHANDLES

Taphandles is the leading designer and manufacturer of marketing solutions for the beer and beverage industry. Working with breweries since 1999, we understand how to define your brand in a busy space. Our design, engineering, product development, and production capabilities ensure you stand out. Whether a tap handle, LED sign or another point-of-purchase idea, we'll craft a solution fit for you.

### FRIENDLY EXPERTISE AND SERVICE

A team of industry experts. Real people dedicated to you and your project.
